and create a workflow that best suits their  
professional interests.

*“I focused on two qualities while evaluating law firms: content and culture. Sidley Austin undeniably works on the most sophisticated, complex content with first-rate clients. More importantly, I chose Sidley Austin because its culture fosters collegiality, excellence, and balance. I couldn’t be happier.”*

– 2015 SIDLEY SUMMER ASSOCIATE

*“Sidley prides itself on welcoming summer associates to a strong culture founded on first-rate client advocacy, diversity, training, collegiality and fun.”*

– SIDLEY PARTNER

*“What really struck me was the fact that all of the lawyers I worked with were willing to take the time not only to provide feedback, but to really teach – Sidley’s commitment to mentorship is evident. My summer experience confirmed that Sidley is an excellent place for young lawyers.”*
